## About Me

I'm a passionate Software Engineer specializing in Python and AI development, with a strong foundation in backend systems, automation, and intelligent applications. Originally from a mechanical engineering background, I've successfully transitioned into the software domain, driven by curiosity and a deep enthusiasm for problem-solving through technology. I'm committed to building impactful, scalable software solutions while continuously learning and growing as part of an innovative development team.

## Achievements

- Secured 2nd Prize in National Level Technical Symposium for paper presentation at KIT, Erode.
- Served as Treasurer of my department during college festivities.
- Attended Workshop on Business Intelligence using Power BI.

## Educational Background

- B.E. Mechanical Engineering - Erode Sengunthar Engineering College (2021-2024) - 76%

- SSLC - Government Boys Higher Secondary School, Komarapalayam (2017-2018) - 73%

## Certifications

- Intermediate of Java - Infosys Springboard
- Basics of Data Science - Infosys Springboard
- Diploma of Completion in UiPath - UiPath Academy

## Internships

- Yavar Tech Works Private Limited - 4 Months

# SRIHARAN VIJAYAKUMAR

## Skills

Hard Skills:

- RAG
- NoSQL
- MySQL
- Python
- Rest API
- Vector DB
- Core Java
- AI Frameworks
- Web Development Basics

Soft Skills:

- Quick Learner
- Team Player
- Problem Solving

## Projects

- Design and Fabrication of Six Wheel Pedal Car
- Finding Mechanical Properties and Preparing Composite Material using Jute Fibre and Epoxy Resin

## Hobby

- Driving
